III. ACCOUNTABILITY INDICATORS, STANDARDS AND SCORING

A. Accountability Status Determination

A school shall receive a School Quality Rating and Accountability Status based upon its level of performance and growth. Charter school accountability is determined by and through the accountability provisions in the charter contract with the Board, and is based on the rating determination set forth in this

Policy. The school's School Quality Rating is determined based on a point system. A school is evaluated on each of the indicators identified in Sections III.B through III.G and receives points ranging from 1 to 5 on each indicator as specified. The points for each indicator are then weighted as described in Section III.H and averaged to determine the school's overall weighted score, which will also range from 1 to

Notwithstanding the foregoing, the CEO may at any time place any school on Probation status if the CEO determines that s/he must take necessary steps to satisfy legal requirements or other mandates, including, but not limited to, when the CEO determines: (a) that a school has failed or refused to comply with the provisions of the School Code, other applicable laws, collective bargaining agreements, court
