Incubation conducted a comprehensive evaluation of AHS-Passages' academic performance, financial viability, and legal and contract compliance. This evaluation included a review of the proposal, academic results, financial performance, governance documents, parental issues, facilities surveys, and special education documentation. A public hearing was held on January 10, 2023 for all contract and charter schools going through renewal to receive public comments, including AHS-Passages. The Office of Innovation and Incubation recommends that, based on the school's performance on these and other accountability criteria, as well as the school's demonstration of intent to satisfy the "Additional Terms and Conditions" referred to herein below, AHS-Passages be authorized to continue operating as a charter school.
